HONORING DR. HAZIM J. SAFI

Hazim J. Safi, MD, completed his medical training and surgical residency at Baghdad University College of Medicine. He subsequently completed a fellowship at St. James' hospital in London, and came to Houston in 1977, where he once again was fully trained in the US system as a general surgeon, and also completed fellowship training in cardiothoracic and vascular surgery. He trained under the giants of the field – Michael E. DeBakey, E. Stanley Crawford and many others – and he has been described by one of his peers as “Legendary for his surgical skills among people who are legendary for their surgical skills”. He maintains board certification in general surgery, thoracic/cardiac surgery and vascular surgery. Dr. Safi is a Fellow of the American College of Surgeons, and a Fellow of the Royal College of Surgeons – England.

Gala Reception to Honor Dr. Hazim J. Safi
Friday, February 24, 2017
7:00 PM Cocktails
7:30 PM Dinner
The Roof, 21st Floor, The Westin Oaks Hotel

SYMPOSIUM CHAIRMEN

Hazim J. Safi, MD

Professor and Chair, Department of Cardiothoracic and Vascular Surgery
University of Texas Medical School at Houston
Chief, Cardiothoracic and Vascular Surgery
Memorial Hermann Heart and Vascular Institute
Houston, TX

David D. McPherson, MD

Professor and Chair, Department of Internal Medicine
University of Texas Medical School at Houston
Chief, Cardiology
Memorial Hermann Heart and Vascular Institute
Houston, TX

PROGRAM DIRECTORS

Anthony Estrera, MD

Professor and Chief of Cardiac Surgery
Department of Cardiothoracic and Vascular Surgery
University of Texas Medical School at Houston
Medical Director of Cardiovascular ICU and Cardiovascular IMU
Memorial Hermann Heart and Vascular Institute
Houston, TX

Ali Azizzadeh, MD

Professor and Chief, Division of Vascular and Endovascular Surgery
Program Director in Vascular Surgery
Department of Cardiothoracic and Vascular Surgery
Memorial Hermann Heart and Vascular Institute
Houston, TX

DISCLOSURE OF RELEVANT FINANCIAL RELATIONSHIPS

In accordance with the Accreditation Council for Continuing Medical Education's (ACCME) Standards for Commercial Support, all course director(s), presenters, moderators, planners, and peer reviewers involved in the development of CME content are required to disclose to the accredited provider any relevant financial relationships of themselves and their spouse/partner via a Disclosure of Relevant Financial Relationships form.

The ACCME defines "relevant financial relationships" as financial relationships in any amount occurring within the past 12 months that create a conflict of interest. Conflicts of interest must be resolved for the individual to continue participation. All participants declare the following:

- They will comply with the ACCME Standards for Commercial Support of Continuing Medical Education to ensure that this CME activity is free of commercial bias or appearance thereof.
- They will base all clinical recommendations on evidence that is accepted within the profession of medicine as adequate justification in the case of patients.
- They will ensure that all scientific research referred to in support of a patient care recommendation will conform to generally accepted standards of experimental design, data collection, and analysis.
- They will not discuss any unlabeled uses of products.

Failure to return the Disclosure of Relevant Financial Relationships form prior to the beginning of the CME activity results in disqualification from participation in any development or presentation.
