

TUESDAY, NOVEMBER 10, 2020

Coronary Artery & Myocardial Protection (CAMP PCI)

Pre-Conference Seminar | Fairway Ballroom

8:00 AM – 4:00 PM

Sponsored by Abiomed, Inc.

This activity is not included in CME hours

7:30 AM

Buffet Breakfast & Registration Open | Fairway Foyer

8:00 AM

Welcome

8:02 AM

High-Risk PCI with LV Support: The Current Clinical Evidence (PIII)

Ehtisham Mahmud, MD

8:30 AM

Why Use Hemodynamic Support for These High-Risk Cases?

- The case for complete revascularization in a single setting vs. staged procedures
- Complications of staged procedures

Rajan Patel, MD

9:00 AM

Treating LV Dysfunction: Impact of Complete Revascularization on Improvement in EF and Heart Failure

Jason Wollmuth, MD

9:30 AM

Training a Team of Skilled Operators

Jeffrey W. Moses, MD

10:00 AM

Break | Fairway Foyer

10:30 AM

Hazards of Provisional vs. Planned ProPCI

Khaldoon Alaswad, MD

11:00 AM

Using SmartAssist® Metrics for Escalation and Weaning

Rajan Patel, MD

Advancing Care Through Case-Based Learning

11:30 AM

Left Main Disease: ABRUPT CLOSURE, Dissections, Ruptures, Incomplete Revascularization

Amir Kaki, MD and Paul S. Teirstein, MD

11:50 AM

Bifurcation Lesions: Complications Do Happen

- Complete closure of a significant sidebranch
- Jailing the steerable guidewire
- Inadequate apposition of the stents

Curtiss T. Stinis, MD and Paul S. Teirstein, MD

12:10 PM

Lunch & Visit the MCS Simulator | Fairway Foyer

12:50 PM

Patients with MVD: When a Large Vessel Unexpectedly Closes

Aditya Bharadwaj, MD

1:20 PM

AKI: Perfusion of the Kidneys and Other Organs During PCI

Michael Flaherty, MD

1:50 PM

Last Remaining Conduit: What to Do When Something Goes Wrong

Duane S. Pinto, MD, MPH

2:10 PM

Break | Fairway Foyer

2:30 PM

Calcified, Torturous Anatomy: Avoiding Dissections, Perforations, and Distal Embolization

Thom Dahle, MD

3:00 PM

Image Guided Optimal Revascularization: How IVUS/OCT Can Save the Day

Ziad Ali, MD, DPhil

3:30 PM

Action Items: Program Implementation and Protocol Development

Jason Wollmuth, MD

4:00 PM
Wrap Up

Reception to Immediately Follow Session | Fairway Garden

Satellite Symposium

Fairway Ballroom

4:30 – 5:30 PM

This activity is not included in CME hours

4:30 PM

Program TBA

TAVR Tuesday

Dinner Symposium | Fairway Ballroom

6:00 – 8:00 PM

This activity is not included in CME hours

Optimal Access for TAVR

Amir Kaki, MD

Valve in Valve TAVR: Tips, Tricks, Latest Data

Curtiss T. Stinis, MD

TAVR for Bicuspid Valve: Patient Selection, Tips, and Tricks

Philippe Généreux, MD

Cerebral Embolic Protection During TAVR

Jeffrey W. Moses, MD

WEDNESDAY, NOVEMBER 11, 2020

**Same Day Discharge, Best Practices and Clinical Operations in the Cath Lab
Post COVID-19**

Breakfast Symposium | Fairway Ballroom

7:30 – 8:30 AM

This activity is not included in CME hours

7:00 AM

Buffet Breakfast & Registration Open

7:30 AM

Program TBA

8:30 AM

Break | Fairway Foyer

Mid-Morning Symposium I

Satellite Symposium | Fairway Ballroom

9:00 – 10:00 AM

This activity is not included in CME hours

Moderator: *Matthew J. Price, MD*

9:00 AM

From ISCHEMIA to EXCEL to Your Own Cath Lab: Does Reducing Peri-Procedural MI Matter?

Ehtisham Mahmud, MD

9:15 AM

Mixing Opiates and Oral P2Y₁₂ Inhibitors: Fake News or a Bad Thing?

TBD

9:30 AM

Anatomic Complexity and Choice of P2Y₁₂: Cases for the Panel

Duane S. Pinto, MD, MPH

9:45 AM

Q&A

10:00 AM

Break | Fairway Foyer

Mid-Morning Symposium II

Satellite Symposium | Fairway Ballroom

10:30 – 11:30 AM

This activity is not included in CME hours

10:30 AM

Program TBA

Lunch Symposium

Lunch Symposium | Fairway Ballroom

11:30 AM – 1:00 PM

This activity is not included in CME hours

11:30 AM

Buffet Lunch | Fairway Foyer

11:45 AM

Program TBA

12:00 PM

Registration for Main Symposium Open | Grande Ballroom Foyer

Main Scientific Sessions & Live Cases

Grande Ballroom

1:30 – 3:30 PM

1:30 PM

Live Cases 1 & 2 from Scripps Clinic

Panel:

Ziad Ali, MD, DPhil

James Hermiller, MD

Amir Kaki, MD

Morton Kern, MD

Matthew J. Price, MD

Richard A. Schatz, MD

Curtiss T. Stinis, MD

Paul S. Teirstein, MD

Jennifer A. Tremmel, MD, MS

Jason Wollmuth, MD

FFR New Resting Indices, Post PCI Measurements, Tips and Tricks for Getting Accurate, Reproducible Information

Morton Kern, MD

IVUS/OCT: Why You Should Be Using Intracoronary Imaging More?

Ziad Ali, MD, DPhil

Bifurcation Lesions: Step-by-Step

Curtiss T. Stinis, MD

3:30 PM

Break & Visit Exhibits | Scripps Ballroom

Main Scientific Sessions & Live Cases

Grande Ballroom

4:00 – 6:00 PM

4:00 PM

[Live Cases 3 & 4 from Scripps Clinic](#)

Panel:

Ziad Ali, MD, DPhil

James Hermiller, MD

Amir Kaki, MD

Morton Kern, MD

Matthew J. Price, MD

Richard A. Schatz, MD

Curtiss T. Stinis, MD

Paul S. Teirstein, MD

Jennifer A. Tremmel, MD, MS

Jason Wollmuth, MD

The Interventionalist as the Thought Leader for Risk Factor Modification: Is Post Intervention the Best Time to Consider PCSK9 Inhibition, Rehab Program, Advanced Lipid Testing?

Douglas Triffon, MD

Radial Tips and Tricks

Matthew J. Price, MD

How to Approach a Complex Case: Tips and Tricks for PCI Success

Curtiss T. Stinis, MD

Meet the Experts Reception

Grande Ballroom Foyer

6:00 – 7:00 PM

Sponsored by Boston Scientific

This activity is not included in CME hours

Meet the Experts Panel

Amir Kaki, MD

Kathleen E. Kearny, MD

William Lombardi, MD

Ashish Pershad, MD

Curtiss T. Stinis, MD

Jennifer A. Tremmel, MD, MS

Jason Wollmuth, MD

Great Cases in Interventional Cardiology:

Complications, Difficult Decisions, Challenging Anatomy and More!

Dinner Symposium | Fairway Ballroom

7:00 – 9:00 PM

This activity is not included in CME hours

Moderator:

Curtiss T. Stinis, MD

Faculty:

James Hermiller, MD, Richard A. Schatz, MD, Paul S. Teirstein, MD, Jennifer A. Tremmel, MD, MS

THURSDAY, NOVEMBER 12, 2020

Breakfast Symposium

Breakfast Symposium | Fairway Ballroom

6:30 – 7:30 AM

This activity is not included in CME hours

6:30 AM

Lectures TBA

6:30 AM

Continental Breakfast | Scripps Ballroom & Grande Ballroom Foyer

Main Scientific Sessions & Live Cases

Grande Ballroom

7:30 – 9:30 AM

7:30 AM

Live Cases 5 & 6 from Scripps Clinic

Panel:

Ehtisham Mahmud, MD

Duane S. Pinto, MD, MPH

Matthew J. Price, MD

David Rizik, MD

Richard A. Schatz, MD

Curtiss T. Stinis, MD

Paul S. Teirstein, MD

Key Clinical Trials of the Past Year (20 minutes)

Ehtisham Mahmud, MD

Complete vs. Incomplete Revascularization Following MI

Duane S. Pinto, MD, MPH

9:30 AM

Break & Visit Exhibits | Scripps Ballroom & Grande Ballroom Foyer

Main Scientific Sessions & Live Cases

Grande Ballroom

10:00 AM – 12:00 PM

10:00 AM

Live Cases 7 & 8 from Scripps Clinic

Panel:

Ajay Kirtane, MD

Matthew J. Price, MD

David Rizik, MD

Curtiss T. Stinis, MD

Paul S. Teirstein, MD

Richard A. Schatz, MD

Left Main and 3 VD Data

Paul S. Teirstein, MD

Latest TAVR Data

Paul S. Teirstein, MD

What I Learned from COURAGE, FAME II, ORBITA, and ISCHEMIA

Paul S. Teirstein, MD

Lunch & Challenging Cases Panel

Fairway Ballroom

12:00 – 1:30 PM

Challenging Cases Panel Discussion

Panel:

James Hermiller, MD

Ajay Kirtane, MD

Matthew J. Price, MD

David Rizik, MD

Curtiss T. Stinis, MD

Paul S. Teirstein, MD

Radiation Safety in the Cath Lab

David Rizik, MD

Main Scientific Sessions & Live Cases

Grande Ballroom

1:30 – 3:30 PM

1:30 PM

Live Cases 9 & 10 from Scripps Clinic

Panel:

Philippe Généreux, MD

James Hermiller, MD

Ajay Kirtane, MD

Matthew J. Price, MD

Richard A. Schatz, MD

Curtiss T. Stinis, MD

Paul S. Teirstein, MD

Shortened DAPT Duration After PCI in High-Bleeding Risk Patients: How Long and in Which Patients?
