

# Disclosures

In accordance with the *ACCME Standards for Integrity and Independence in Accredited Continuing Education*, course directors, planners, moderators, speakers, and all others in control of the educational content of the continuing education activity must disclose all financial relationships with ineligible companies that they may have had within the past 24 months. If an individual refuses to disclose financial relationships, they will be disqualified from being a part of the planning and implementation of the activity. Owners and/or employees of an ineligible company with business lines or products relating to the content of the activity will not be permitted to participate in the planning or execution of any accredited program.

**All relevant financial relationships with ineligible companies for individuals in control of content have been mitigated.**
